The Chairperson  
Focus Africa Series Project  
8 Misratha Street off Parakuo Crescent Wuse 2 Abuja

Attention: Her Eminence Ambassador Dr. Mrs Alanyingi Uduak Sylva  
Your Excellency

Africana Women Working Group at the UN is pleased to have Focus Africa Series Project be admitted into Gender Priority Strategy GEPS as “Coordinator for African Region”. As the coordinator, Focus Africa Series Project will align its mission to support the mission of Gender Priority Strategy, GEPS especially on the global movement initiative and advancement of gender equality for African women and girls.

Your Excellency, as the Global Ambassador for the Gender Priority Strategy, we sincerely ask Her Excellency to present special guest statement on Gender Priority Strategy, Flag the global movement and appoint Focus Africa Series Project as the “Coordinator for African Region”. Since the Beijing Declaration and Platform for Action, efforts had been geared towards positive advancement of gender equality and promotion of women empowerment to address strategies that could aid in reducing obstacles to advancement of overall women economic, social, cultural, political, decision-making and the “Woman Herself”.

The Mission of GEPS is to create a global movement that could educate, train, advocate, and adopt PEARS on priorities on women and girls from grassroots. It will along with the drive, support and promote the agenda of UN Women, the agreed conclusion on Commission on Status of Women, and other multifaceted issues affecting and hindering the overall integrity of all women. Africana Women Working Group at the UN is a network of UN ECOSOC NGOs whose mission promote the United Nations agenda, SDGs, Generation and Gender equality.

Thank you, Your Excellency for all you do in support of women from the grassroots and across the global community.

Please accept our best wishes and assurance of our highest esteem.

Sincerely,

Prof. Ambassador Ada JUNI Menakaya  
UN Coordinator, Africana Women Working Group at the UN  
Global Ambassador, Gender Priority Strategy, GEPS
